

## Lucky to Be Me

G  
I'm brave enough to be the light  
G  
That sees the light in others  
G  
The sparkle that ignites the flame  
G  
So all of us can shine.

C  
From here to the horizon  
C  
I'm a beacon on the sea  
G  
I find joy in every moment  
G  
I'm bright and strong and free  
D  
There's a wide world out there waiting  
G  
I'm so lucky to be me.
